About InTest Corporation
InTest Corporation is a global supplier of innovative test and process technology solutions for use in manufacturing and testing in key target markets including both the front-end and back-end of the semiconductor manufacturing industry (“semi”), automotive/EV, defense/aerospace, industrial, life sciences, and safety/security. Backed by decades of engineering expertise and a culture of operational excellence, InTest solves difficult thermal, mechanical, and electronic challenges for customers worldwide while generating strong cash flow and profits. InTest’s growth strategy leverages these strengths to grow organically and through acquisitions through the addition of innovative technologies, deeper and broader geographic reach, customer penetration, and market expansion.
